USAWA Inquiries Tue, Dec 21, 2021, 7:44 PM

Dear Paul,

Thank you for contacting the United Nations High Commissioner for Refugees (UNHCR) Multi-Country Office in Washington, D.C. (MCOW). Unfortunately, the UNHCR U.S. Protection Unit can only assist refugees or asylum-seekers in need of assistance who are in the United States, and we are unable to facilitate travel to the United States or any other country. The UNHCR office in India would be the office best able to assist you with your inquiry. You can contact the UNHCR office in India

here: [https://help.unhcr.org/india/#\\_ga=2.65845291.443587144.1640003869-2100808704.1634186007](https://help.unhcr.org/india/#_ga=2.65845291.443587144.1640003869-2100808704.1634186007)

In India there are also several non-governmental organizations that work with refugees and may be able to help you further. You can find a list with such organizations at: <https://www.refugeelegalaidinformation.org/india-pro-bono-directory>. If you are a refugee seeking to come to the U.S., the International Refugee Assistance Project (IRAP) may also be able to help. You can get more information about IRAP at [iraplegalinfo.org](http://iraplegalinfo.org). We are also enclosing an informative illustration titled, "How Refugees get to the U.S."

Unfortunately, many people encounter challenges in the resettlement process as less than 1% of all refugees are ever resettled globally. For more information on this process in the United States, please visit the following website: <http://www.unhcr.org/en-us/resettlement-in-the-united-states.html>. For more information on the refugee status determination process, please see our website below: <http://www.unhcr.org/en-us/refugee-status-determination.html>.

Thank you again for reaching out to our office. We hope this information is helpful.

Sincerely,

LM

Greetings, Applications for residence permits in Sweden, including all claims that refer to asylum and protection, are processed by the Swedish Migration Agency. The Embassy would like to point out that it is not possible to apply for asylum at any Swedish Mission Abroad and that such applications should instead be submitted directly to the Migration Agency in Sweden or to the Swedish Border Police when entering the country. Those who are not able to apply for asylum from within Sweden are generally advised to contact the UNHCR or the relevant authorities in their country of residence. If you are present in Pakistan we kindly refer you to the United Nation High Commissioner for refugees (UNHCR) in Islamabad, contact
