I want to say that

Please do not share this message with muslims but share my message with Christian community

Hi,

I am Paul Eliya converted to Christianity since year 2000 and I found that the teachings of 666 Satanic Prophet Muhammad Allah in Satanic Verses of Quran Narrations are All Anti Christ in the history that is why I rejected and I cancelled the teachings of Prophet Muhammad and I condemned his followers Suni Muslims to Eternal Physical Hell Fire
So how can I pray for Satan ! and how can I Cheat God Holy Father Jesus Christ

The Pakistan Nation Quran Islam is Satan.

And I crushed the HEAD of Satan under my foot just like my only Eternal Saviour My Holy Father Jesus Christ crushes satan and saved me from satan

Now me and my family are flying to Dubai or to india and leaving pakistan forever anytime due to persecution because Pakistan stolen our my properties and snatched our fundamental human rights

Because we Syed Shia Muslims converted to Christianity.

Accused Chief Justice Babar Sattar and COAS Pakistan Army to be immediately arrested for Dismissing my writ Petition #2790/2022

Our case writ Petition number 2790/2022 in Islamabad High Court is in process for our travel to india

Refusal of an application for a Schengen visa

Name: PAUL ELIYA
Nationality: Pakistan

Application No.: DNK2658184
Date of Birth: 30-10-1992

Refusal of application for a visa to the Schengen countries

The Danish embassy has reached a decision in your case and has decided that you cannot be granted a visa on basis of the present application.

Your request for a visa has been refused pursuant to the Regulation (EC) No 810/2009 of the European Parliament and of the Council of 13 July 2009 establishing a Community Code on Visas (Visa Code) and the Executive Order no 376 of 20 March 2015 of the Danish Ministry of Justice and amendment no 202 of 27 February 2017 and the Executive Order no 98 of 28 January 2020 of the Danish Ministry of Immigration and Integration (Danish Visa Executive Order).

The reason(s) for the refusal (cf. Annex VI of the Visa Code):

- there are reasonable doubts as to your intention to leave the territory of the Member States before the expiry of the visa

The legal basis for the decision

According to Section 3 a of the Danish Aliens Act, all foreigners who are not exempt from the visa rules pursuant to Section 3 of the Danish Aliens Act, cf. Section 39 (2) must have a visa for their entry and stay in this country.

The legal basis for the decision is the Danish Visa Executive Order and the Community Code on Visas (Visa Code). Article 32 of the Visa Code states that an application for a Schengen visa must as a general rule be refused (a) if the applicant:

- i. presents a travel document which is false, counterfeit or forged;
- ii. does not provide justification for the purpose and conditions of the intended stay;
- iii. does not provide proof of sufficient means of subsistence, both for the duration of the intended stay and for the return to his country of origin or residence, or for the transit to a third country into which he is certain to be admitted, or is not in a position to acquire such means lawfully;
